

September Tables: 252

1. Someone mentioned that she did not think we had given Shannon the special **Thank You** she deserved for chairing the June Tournament and making so much money for the club on the tournament and Silent Auction. **THANK YOU SHANNON.** Glad that you will be doing the upcoming tournament.
2. I have been contacted by Gary Petros, who has a proposal from our landlord that is as follows: The landlord will install air conditioning (one unit which he feels will cool both sides of our leased space if we will agree to adding an additional two years on to our lease with, with our rent continuing to increase at the rate of 3% per year (as it does under our current lease). I think we may want to appoint someone to negotiate any lease change. Some members are still mentioning that we need another bathroom, and we have had issues with a leak in the North kitchen.
2. Concerning the Nationals in Seattle:
 - a. We have had a great deal of information shipped to Godefroy Realty in Seattle for us to use for our Alaska Day booth.
 - b. I have a list of attendees (with cell numbers if I had them) for anyone going to Seattle.
 - c. Name tags are being printed for all Alaska (we have been asked to all wear name tags during the tournament)
 - d. I was able to get 500 pencils imprinted with our Bridge Club name, web site address and the dates of our next three Regionals for \$98. This included the shipping costs.E: Our Regional Schedule has been printed. The flyers for our 2012 were printed in house. The costs were approximately \$80 in color and black cartridges, a ream of paper (Linda T donated 120 sheets of very high quality paper for the 1st brochures). Printing was done in house.
2. The NLM tournament was a success and that group would like to hold another one. The 1st weekend in May 2012 looks like a good date for that tournament. If there is no input from the Board I will request these dates. The format of Pairs Thurs, Fri. nights & Sat Afternoon with Swiss on Sunday was good (and when I asked the NLM group they said they liked that format).
3. With the number of people going to Seattle, we will have to cancel the Sunday afternoon games until December 10th. That's the next two Sundays.

The other weekly games will all be run on schedule. Terry Sappah is directing the 3 weekly games that Doug Scott usually directs, John Cacy is directing the three weekly games that Holcombes' usually direct, Larry Legault is directing the team game on Saturday December 3rd. Chris Ward is doing Kathy Centoni's games the first week of December.
That leaves Saturday November 26th not covered.
