

Anchorage Bridge Center
Club Manager Report, for 4/20/09 Board Meeting
Kathie Hoehne

March Tables: 225

1. We have received the paperwork from ACBL Nation for an International Fund Game on Wednesday afternoon – May 13th. We signed up for this game last fall. Doug Scott agreed to direct. Cost per table (to ACBL) is \$6.75.
2. Western District of ACBL is running Stac games – which our club is eligible to play in May 4th through the 10th. We can schedule a Stac game at any time during the week as we hold a regularly sanctioned game. Several members need silver points – and the Stac games are all silver points. Many members in our club have expressed an interest in the Stac games. Should we enter these games? During 2009 there are also Stac games scheduled for August and December by the Western Conference Monday through Sunday. Cost per table is \$6.75 to Western Conference.
3. I have not heard anything from Bridge Studio about our car order? I will inquire again.
4. The Member Appreciation (new life Master Game is scheduled for May 17th which is a Sunday. However, if we play in the International Fund Game May 13th and some of the Stac games May 4-10th is our May calendar to full. Should this game be rescheduled?
5. Clarification: Norm – did you find out anything about a “standard donation’ from the club if a member passes away in the Previous Board Minutes?
6. I downloaded the free trial for 1 month of “Go to My PC program”. The free trial period is up May 8th. The company is running a special if you pay for 1 year the cost is \$14.00 per month. Do we want to consider this?
