

Anchorage Bridge Center  
Club Manager Report, for 8/17/09 Board Meeting  
Kathie Hoehne

June Tables 187.5  
July Tables 241

1. We have received the paperwork from ACBL National for another Instant Matchpoint Game on Wednesday – September 9<sup>th</sup>. I would like to verify that the Board would like to charge \$10.00 per player for this game.
2. Now that we have the cards from the Bridge Studio – and they do not work (which I let them know immediately) we need to determine whether to pay for the cards or return them. Out of the 26 decks we first tried 18 decks could not be read by our machine. However these are plastic decks and they only cost us \$1.41 each. Do we want to use them in our non Duplimate Boards?
3. STAC games will be run August 24<sup>th</sup> through the 29<sup>th</sup> that all of our regular sessions. Entry Fee \$10.00. SINCE THERE ARE NO EXTRA POINTS for a Swiss Team Game in the STAC – Silver points but at the club level only do we want to make Saturday 8/29 a pairs game.?
4. October 31<sup>st</sup> is on Saturday this year. It was suggested to me that we may want to have a Halloween Party. What is the Board's feeling?
5. For our Upcoming Sectional Tournament do we want to have the Friday night game be Pairs instead of Mixed Pairs?
6. Our Club has a lot of old records and old (out of date Bridge Books). What do we want to do these materials?
7. The January Tournament is 1/27-1/31 2010. We need to find a director for this tournament.
8. Also, it is probably not too early to get a chair for the Summer Regional Tournament.
9. Progress report on getting the Enstar billing into the club name?
10. We need a new Club Directory. Do we have a chairperson to work on that?
11. Roger mentioned (when we were in Fairbanks) that there may be a possibility of National ACBL appointing him as the Director in June – if we were to end them a letter requesting that appointment.
