1. Thank you to Carolyn Sprague our tournament chair. The tournament was a great success. Tournament Recap of the income and expenses is attached to the Treasurer's report.
2. The Western Conference is running STAC games August 16-22. I am planning to sign us up for four sessions. Mon., and Wed. evenings and Fri. and Sat. afternoon games. Silver Points.
3. As discussed last month – the Thursday night game voted to change to 499 points and Tuesday night voted to become 199 points. Both changes have been approved by ACBL National.
4. George Holcombe is willing to teach a new Easy Bridge class starting on Tuesday evenings – probably the end of September. He will confirm the date he is available to start when the rest of his schedule is firm (in August).
5. The Bridge Classes through the university under the Olle program are scheduled for Wednesday Afternoons beginning 10/13/2010. We need to make sure that our new Easy Bridge does not conflict cause a conflict with the Olle classes. We have had 2 inquiries about the Easy Bridge already. Olle charges \$150 for on unlimited number of classes.
6. We still need chairperson for the 9/29-10/2 Sectional Tournament.
7. My I give away to others who have helped me the once a week free plays the Board awarded to me. If the board approves, I would prefer a partial reimbursement of my expenses to one National Tournament per year to the increased monthly salary.

#### Long Range Planning

- A. 2011 Regional - Last winter the board discussed advertising in the bridge bulletin about October or November of 2010 for the 2011 Regional Tournament. If we are going to place an ad this winter we need to find a tournament chair and have the ad written and reviewed as we will need to have it into the ACBL Bulletin approximately two months before the publication date. Are we proceeding on this?

B.

At the general membership meeting in October 3rd, is the Board going to ask for approval to proceed on incorporating the Unit? ACBL National recommends that all the Units incorporate (for the protection of the Board members).
