

Anchorage Bridge Center
Club Manager's Report for 8/15/11 Board Meeting
Kathie Hoehne

I will be out of town during until 8/16. Here is my report.

June Tables 220.5
July Tables 228.0

1. Our fall sectional will be September 14 through September 18th. As this is the event were we hold our annul meeting I suggest that we have our September Board Meeting on September 12th – so we can review what will be presented during the annual meeting.
2. Our elections are held in October. National wants us to submit a list of our candidates with their ACBL numbers (so they can check all are current members). We need a nominating committee.
3. We want use Northrim Bank's internet banking. I am asking for a View Only account. This means that we are not authorizing any internet transactions only reports. Their needs to be a Board Resolution authorizing this. Please pass one at this meeting. Jack Ochs has all the paperwork to be signed.
4. We have having a game on Friday 8/19 in Rick Coyle's memory. Della has asked that we contribute some of the proceeds a charity in Rick's name. What is the Board's feeling on this. How much should the contribution be. We do not usually have a Friday night game (and we have it on our annual sanction games) so the cost to the club will be about \$2.00 per table to ACBL and incidental club expenses. We collect \$32 per table – less \$5 director's fees. If the Board approves I suggest that we donate \$10-\$20 per table. They issue here is not the one time game, but will we be doing the same for any member. Della started this, and I feel if some member wants to put together I memorial game for any member in the future, we should accommodate them. However, this will set a precedent
5. George Holcombe has agreed to start a new Easy Bridge Class this fall. The classes will start on Tuesday 9/20. We need to get some publicity out on this.
6. We need a chairperson to work on our brochure and anything we are giving out for the Alaska Day at the Seattle Fall nationals.
7. Our new club directories have been printed. We need a work party to put them together. We can start working on this at the Wednesday night game 8/17. I am going to ask people to sign for a directory as in the past several people have taken more than one directory.
8. I am asking all of our game directors to let me know if and when they are going to fall nationals. We may have a problem keeping our games going during that week and a half.
9. We had the carpeting cleaned after our tournament. In addition we purchased a rug cleaning machine so we can keep the carpeting up. A friend of Della's was moving and sold us the brand new machine she had purchased for \$175 which was \$60.00 less than she paid to purchase it.
