

Anchorage Bridge Center
Club Manager Report, for 1/17/2011 Board Meeting
Kathie Hoehne

November Tables: 203.0
December Tables: 186.5

1. Copies of the December Treasurer's report are on the table. Janet Rauscher is asking the Board for one additional one free play a month for doing the books.
2. January Sectional. Is there anything I can do to help with the Sectional next week? I asked George Holcombe if we should add a 0-5 game for his Easy Bridge Group. They will meet tomorrow night so I should know then. Do the Tournament Co-chairs need any help?
3. Roger will be staying at our house doing the January tournament. He asked Walt if he can borrow a car. Walt will not be here for the party, but has already purchased the supplies for it and left them here in the club.
4. Several people have suggested a sign telling people not to use the liquor that others brought in. Apparently, people are helping themselves even if they didn't bring it. Do we need a sign? On the inside of the liquor cabinet door? Some liquor is being stored in other cabinets.
5. Hospitality Chair Person: Virginia Duffy said she would like to fill this position.
 - A. Purchasing and passing around the club for signature and mailing cards (sympathy, birthday, and get well greetings).
 - B. Determining which members have a Birthday during the month and having one monthly game to recognize all those who have birthdays that month.
 - C. Welcoming and introducing around any guests or new comers
6. We need to start working on a new Club directory. The existing directory is on the computer and available to update. Who would like to work on the new directory? I suggest a questionnaire for the regular players and calling those who appear less frequently.
7. Souper Sunday Appreciation Game is scheduled for February 20th. The Club Appreciation Special game that National has a special sanction for MUST be an October game. I can get an sanction to upgrade this February Game.
